

NATASHA ATKINSON

TASHA'S HEAVENLY SCENTS- CONSULTANT VIP GROUP

1:- Who are you and what's your business?

I'm Tasha 37, mummy to Dexter 6 and 1/2 and Luna 14months, and a nearly wife to Sean I say nearly but we've been engaged 7 years and not planned a single thing

I am an independent Scentsy consultant and started my business in August 2021!

2:- Why did you start your business and when?

I found Scentsy in March 2021 when I bought my first warmer and wax bar as a birthday present to myself and was instantly hooked went on to buy more and more and more. I was made redundant from a job I'd been in for 8 years (blessing in disguise) although I wasn't out of work for long, but the general day to day was boring me I needed something else to do for me, a hobby, I didn't think anyone would buy from me but I thought what's the worst that can happen and I clicked the join button!!

3:- What are your strengths and weaknesses in life or business?

Business...I'm a good sales person face to face when I love something as much as I do I can sell it to everyone! But my weakness is staying motivated or having the time to complete the tasks I need to do to make my business as successful as I possibly can!

Personal... I'm great at giving advice and would do anything for anyone but my weakness is I don't give myself enough credit for what I do achieve and put myself down a lot!!

4:- What makes you unique in this world?

There's only one me, love me or hate me I'm not that fussed.

5:- What is your greatest achievement? Personal or Professional?

Personal... my babies best thing I ever did in my whole entire life!

Professional.... In the first month of my business I was promoted, hit an amazing award where I won loads of freebies!!

6:- What is your motivation in life?

Sean, Dexter and Luna!!

7:- What is your end goal?

To live comfortably! not pay check to pay check so my kids can have whatever they wish for without having to budget!

8:- What's been your greatest challenge and how did you overcome it?

Still living my greatest challenge but I'm getting there! Learning how to cope with a partner with mental health issues and how to deal with my son's mental health issues at only 6 yrs old! As well as juggling a baby, a house, work and a business! But I got this!!

9:- What is your learning style?

Visual, Practical? On the Job? Written?

I think I'd say practical get in there and get dirty and I'll learn

10:- If you could do anything or go anywhere in life what/where would it be?

I'd love to take my kids to Disney land in Florida maybe more for me but hay ho lol
